

Moving Your Office with Confidence

Working with Strategic Logistics & Relocation Solutions means you're working with experience

You've spoken with real estate professionals, your IT and accounting departments. Plans to relocate your office are coming together. But there's one question that remains: *What company should you trust with all that furniture, equipment, the computers and data?* Because THAT company will literally have your company in their hands.

That's why you need a professional.

At SLRS our structured process of performing remote and on-site quotes is based on successfully serving clients in a wide variety of industries. We ask questions regarding your key interests in the moving process in order to understand what's most important to you. Because we've performed thousands of office moves we understand not only how to pack and securely move your office, but the unscheduled surprises that occasionally arise. Our primary focus is delivering your office on time and on budget, so you can get back to work with minimal down time!

Remove the "Guess-work".

Strategic Logistics & Relocation Solutions services are based on years of study, hands-on work and shared industry knowledge. We remove the guesswork so you can select the best provider for the most competitive price. With SLRS on your team you can expect predictable and dependable service on every move.

We know that your time and productivity has a value. That's why we focus on office moves with minimal down-time. With proper planning, workplace and commercial facility moves can avoid unnecessary delays. Speak with your SLRS representatives. They're experts in planning a seamless relocation.
